Tricia Lynn Maloney : A Russian Journey in Quilts: The Story of Nicholas and Nina Filatoff before purchasing it in order to gage whether or not it would be worth my time, and all praised A Russian Journey in Quilts: The Story of Nicholas and Nina Filatoff:

0 of 0 people found the following review helpful. Three StarsBy BatmomWasn't as comprehensive as I expected.0 of 0 people found the following review helpful. InterestingBy M. BrownAs a quilter and a Russian speaker, this book is interesting for me. I haven't read it all. I looked at the patterns, and I doubt I will be making the quilts because they aren't my style.0 of 0 people found the following review helpful. A Russian Journey of QuiltsBy SunshineA wonderful story of human strength and love! The author did a fabulous job in presenting the information! This book is another treasure in my collection!

Spurred by a family story and a love of quilting, Tricia Lynn Maloney weaves a tale of sweeping adventure and romance, telling the amazing story of Nicholas and Nina Filatoff. Each of the 15 quilt projects are taken from period designs and commemorate their incredible journey from the traditions of Imperial Russia through the intensity of World War I and upheaval of the Bolshevik Revolution. There are 11 wall hangings, three table runners and a large bed-size sampler quilt. The Russian Sampler combines blocks from the other projects and would make a wonderful block-of-the-month quilt. Learn the story of Nicholas and Nina as you piece through their extraordinary lives.

About the Author Tricia Lynn Maloney fell in love with quilts and textiles while attending college and working at the Baldwin-Reynolds House Museum in Meadville, Pa., where Nicholas and Nina Filatoff worked in the 1920s and 1930s. Tricia taught young children for many years before becoming a librarian at her community library. In 2010, she found a way to blend all of her loves stories, history, quilting and teaching by writing quilt books. Since then, she also has given lectures and taught classes. Her quilts have been featured in many quilt magazines and books.
