Lin Sorenson : A Simple Guide to Scrapbooking Celebrations before purchasing it in order to gage whether or not it would be worth my time, and all praised A Simple Guide to Scrapbooking Celebrations:

0 of 0 people found the following review helpful. Excellent, timeless layoutsBy brickteddybearI have had this book for many years now and still find myself turning to it often for timeless, classic layout ideas. Photos are crisp, ideas always seem fresh. Not a book that has funky layouts whose ideas date themselves quickly. Highly recommend.

Celebrate life! Birthdays, weddings, new babies, holidays, and vacations are lifes most photographed moments. Let Simple Scrapbooks magazine teach you how these special events can be remembered in extra special ways with A Simple Guide to Scrapbooking Celebrations. Geared toward the novice scrapbooker, this informative issue will be an important reference for: exciting page ideas essential timesaving techniques simple layout schemes easy projects that can be done in a weekend and more! Take your newfound knowledge with you thanks to our tear-out appendix of basic getting-started information.
