**Mr. William Thomas Green : A Sword Anyone Can Make: How I Figured Out How to Make My Own Sword** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Sword Anyone Can Make: How I Figured Out How to Make My Own Sword:

For anyone who is curious and craft wise, for that hobbieist mechanic who thinks they can do more, or just for fun; this book will show a step by step method that anyone can follow to make their own sword. The sword can be as cheap and quickly made as you want it to be or a blade of legend, it all depends on the one making it.
