The book has many beautiful things you can paint and give as gifts.0 of 0 people found the following review helpful. Great Projects and Ideas!By Kate BQuite happily surprised that this book had so many useful projects in it, despite the age of the book. There are really useful tips too, and nothing I couldn't tackle as a modestly experienced painter. I wish she had written/would write more books, this was wonderful and I think I will adapt many of these ideas to other projects. Thank you so much!0 of 0 people found the following review helpful. The shape was great, the price was alsoBy Sandra BarnesIt was everything that was described!! The shape was great, the price was also, and it arrived on time!! Thank you!!!!

A guide to decorative painting shows readers how to complete sixteen creative projects for the Christmas season, including gingerbread men, decorative borders, santas, and other popular motifs on a variety of surfaces. Original.
