**Gwendolyn Meyer : A World of Tiny Fashion: The No-Sew Guide to Making Lego Clothes** before purchasing it in order to gage whether or not it would be worth my time, and all praised A World of Tiny Fashion: The No-Sew Guide to Making Lego Clothes:

0 of 0 people found the following review helpful. Better Than Prepackaged LEGO SetsBy Sheila ThoburnOrdered this for my 9 year old son. He LOVES it! He hasn't lost interest in he LEGOS but has a renewed fervor. The book is easy for him to follow. Since he got it for Christmas, he has made lots of clothing and mini sets for his plays and videos he likes to make.Along with this book, he keeps scraps of fabric and little recycled treasures with his LEGO stash now.If you are looking for something to kindle your son's imagination instead of using prepackage sets alone, this book is a

fabulous tool for that. Highly recommended. We did find an Instagram for @worldoftinyfashion and the author puts up lots of ideas there too. Excellent resource for my boys (who are 9 and 6)! 0 of 0 people found the following review helpful. It has a lot of good ideas. The patterns leave something to be desired. By Phyllis G Crecelius It has a lot of good ideas. The patterns leave something to be desired. It gives a web site to go to to get free PDFs to print out of all the patterns in the book full size and some bonus materials. This site no longer exists, nor does the Facebook page so the author can not be contacted to ask about this. There are drawings of the patterns in the book, but they are lopsided and need trial and error corrections to reproduce usable patterns.

Bring your Lego minifigures to life with easy custom clothes to tell your story. With easy to follow instructions, you will be making unique costumes in no time. Perfect for making stopmotion films from any period in history. Adapt your minifigures for holidays or storytelling with these easy no-sew clothes.

About the Author Gwendolyn, AKA Gwen to family and friends, is a homeschooling mama of six while living on a farm with her husband in southern Maryland. Her interests include books, sewing, dark chocolate, fine cheese, and chickens, not necessarily in that order. You can find her blogging at [www.apeekinourwindow.blogspot.com](http://www.apeekinourwindow.blogspot.com).
