Kathy Alpert : Animals (Memories of a Lifetime)Book CD before purchasing it in order to gage whether or not it would be worth my time, and all praised Animals (Memories of a Lifetime)Book CD:

1 of 1 people found the following review helpful. good valueBy blue morphowish there were more dogs but good selection of animals. some of the pictures are really dark (not a lot of contrast . . . too much shadow) like the ones with cows.0 of 1 people found the following review helpful. Five StarsBy mary jean harthappy1 of 1 people found the following review helpful. Animals and their impact on People.By Jerry D. DennisThis book is an excellent example of great graphics, color, and presentation. I recommend it to others. I found it to be a source of reflection, entertainment, and variety not found in most books on animals. Plus it came with a CD which is a plus.

Aimed at adding colour to your scrapbook or crafts project, this work contains 500 ready-to-use rare images to cut out and stick on. It also includes a CD, containing all the images in the book for downloading and printing. It is part of the

groundbreaking "Memories of a Lifetime"[trademark] series. Specifically designed for scrapbooking ease, and complete with a CD in every book, "Memories of a Lifetime"[trademark] is dedicated to the thousands of crafters always looking for inspirational materials. It's a value beyond compare.
