Hours of fun and educational in that we can act out what he read and saw....so comprehension is practiced.3 of 3 people found the following review helpful. Anne (with an 'e') of Green Gables is our Favorite GirlBy Gail H.Gave this to my niece, who has always loved Anne of Green Gables. Even though she is in her 40's, she enjoyed the Pop-up dollhouse and figures of Anne and her compatriots. Delightfully done book.0 of 0 people found the following review helpful.
