McMillanI read the book from cover to cover the first day it arrived. I found it well written and made the projects in the books very doable and can't wait to get started. The second in the App series by Dianne S. Hire, this pattern celebrates the joy of applique. Distinctive designs bring you a gallery of possibilities to make your pattern truly inspiring. Creator of the di-doodle, Dianne lifts her designs from these sketches. Combining a tablet of applique experts, the designs are interpreted in stunning color. Utilize the 4-

sided repeater concept to create continuous, scroll-like designs.

About the Author Dianne S. Hire is known for her outrageous quilts, chaos and mayhem in workshops, informative lectures, bold designs, and daring color combinations. She loves to be introduced as having the coloring sense of a first grader. In her quilts, in her workshops, and certainly in her books, she seeks to offer as many options as possible to take designs to new platforms as interpreted by you. Other Books: App is for Applique, Vivacious Curvy Quilts
