Jane Townswick : Appliqu Takes Wing: Exquisite Designs for Birds, Butterflies and More before purchasing it in order to gage whether or not it would be worth my time, and all praised Appliqu Takes Wing: Exquisite Designs for Birds, Butterflies and More:

5 of 5 people found the following review helpful. Wonderful details to the bookBy R SchroederNice work went into this book. Lots of detail and user friendly. Well constructed ideas to the designs. I had used this with suede and raw edges. Topstitched around the small pieces. It looks incredible. Used velvet with some of the flower pieces. Wow. Without the details to the construction and placement of colors and shapes, somethings just don't look right. This book is excellent.\!0 of 0 people found the following review helpful. Not quite what I expected but still a nice book. Didn't have as many patterns and instructions ...By A.J.Not quite what I expected but still a nice book. Didn't have as many patterns and instructions as I had expected0 of 0 people found the following review helpful. The book was selected

because the deceased liked applique. The guild library used to have this ...By Judy Forkner Purchased a s a memorial book for a guild library. The book was selected because the deceased liked applique. The guild library used to have this book, but it was lost, so I decided to replace it in honor of the deceased.

Create beautiful birds and butterflies with amazing applique artist Jane Townswick. Her fourth book of incredible applique designs includes her best methods for achieving flawless results every time. Twelve original block patterns offer Jane's unique ideas, such as adding iridescent fabrics for sparkle and shine Techniques reveal Jane's secrets for invisible stitching and free-form stems and branches Designs include a hummingbird, dragonfly, monarch butterfly, and many more flying creatures.

Jun 06 The author is a very skilled embroiderer and wants to take her readers on 'an adventure in colour -blend applique' The examples she shows include birds and butterflies in all their glory, colours glowing, stitching exquisite and beautifully finished. This is very much a project book with detailed instructions on how to complete twelve blocks, each of which can be interpreted in different ways. The methods are shown in step by step photos and are simple to follow, but a degree of skill and perseverance would be required to achieve the finish illustrated. This book celebrates traditional skills, but brings in a modern slant to an old techniques. Hand stitchers should be entranced by the superb examples shown and the way in which colours have been used to such good effect. Merseyside Embroiderers Guild Issue 44 Jane Townswick shows you how to create beautiful birds and butterflies using her great applique designs. A section on hand applique explains the tools and supplies required and step-by-step instructions on how to stitch the applique. This book is a great pattern resource book for anyone who likes birds and butterflies. Fabrications About the Author Renowned as an accomplished author, quilter, editor, teacher, and former shop owner, Jane Townswick has been a guest artist at Elly Sienkiewicz's esteemed Applique Academy. Her work has been featured in American Quilter and Quilter's Newsletter Magazine
