Cynthia Bix, Philip Edinger : Arranging Flowers from Your Garden before purchasing it in order to gage whether or not it would be worth my time, and all praised Arranging Flowers from Your Garden:

Turn the beauty, freshness, and fragrance of a garden into simple yet stunning floral displays with Arranging Flowers from your Garden. This all-new guide combines instruction on cultivating a beautiful, practical cutting garden with how-to techniques on the art of flower arranging. Lushly photographed, Arranging Flowers from your Garden emphasizes informal, easy-to-create arrangements using readily available containers and favorite cut flowers. A dozen professionally-designed cutting garden plans plus eight reference charts help in selecting flowers, foliage, grasses, and

berries that will accent a garden now and grace a tabletop later.
