Richard Welch, Hollis Welch : Art Deco and Geometric Stained Glass Pattern Book (Dover Stained Glass Instruction) before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Deco and Geometric Stained Glass Pattern Book (Dover Stained Glass Instruction):

0 of 0 people found the following review helpful. Good Book, Good SellerBy MikeGNice book, great selection, on-topic art. Excellent condition, great price.

If you love the bold, exciting look of Art Deco designs, this treasury of stylish patterns is certain to inspire you toward new heights in your stained glass and other craft projects. These patterns in the streamlined Art Deco style include a

wealth of workable motifs with an imaginative geometric flair. Ovals, ellipses, rectangles, triangles, circles, and numerous other figures are incorporated here in inventive configurations. The patterns, some even suggesting optical illusions, are ideal for windows, sidelights, transoms, lampshades, and a host of other stained glass projects.
