Derived from an authentic 1889 German catalog for artists, this collection presents 13 eye-catching alphabets, all with a distinctive Art Nouveau flair. They're ideal for every type of embroidery crewel, sewing machine, cross-stitch, samplers, and other methods. Alphabets for all purposes include ornate as well as simple varieties. These transfers are easy to use and reuse, and full instructions are given on the inside back cover. Use them in conjunction with your other needlework patterns for adding initials, names, or slogans to clothing, household items, and any other object you wish to personalize with your needlework.
