Great Victorian papers for your dollhouse!By A CustomerNice cheap way to get a lot of wallpaper for a dollhouse project. Thereis enough in there for a large dollhouse, all rooms and for under \$5 that is a steal! I have paid that much for one room before using other papers!

Twenty-four sheets (6 patterns on 4 sheets each) recall the organic, curvilinear floral designs and lovely muted pastels typical of the Art Nouveau style. The large 9x12 format allows maximum flexibility in your craft projects. Complete instructions for wallpapering are given on the inside covers, while the publisher's Note offers many usage suggestions. These decorative papers based on authentic Art Nouveau designs are ready to decorate an entire six-bedroom dollhouse-or to be used for a wide variety of craft projects including shadow boxes, decoupage, as lining for boxes wrapping paper and more.
