Geoffrey Edwards : Art of Glass: Collection of National Gallery of Victoria before purchasing it in order to gage whether or not it would be worth my time, and all praised Art of Glass: Collection of National Gallery of Victoria:

Jointly published by the National Gallery of Victoria and Macmillan Publishers Australia this book is the first publication to document in depth the nature, extent and history of the National Gallery of Victorias celebrated glass collection. Its author, and expert on the art of glass, Geoffrey Edwards, has selected the most magnificent works from the collection, each reproduced in colour, as the basis for a broader discussion of the history of glassmaking in the worlds leading production centres, from the ancient Mediterranean to the present day. With fine photographs by Garry Sommerfeld, this book provides a most spectacular visual array.
