Martha Sielman : Art Quilt Portfolio: The Natural World: Profiles of Major Artists, Galleries of Inspiring Works before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Quilt Portfolio: The Natural World: Profiles of Major Artists, Galleries of Inspiring Works:

This lavish collection of art quilts, all focused on the natural world, inaugurates a gorgeous new series on one of the most popular topics in needlework. Written by Martha Sielman, the executive director of the world's largest art quilt organization, each entry celebrates one of the themes that quilters love best. Every book will feature profiles of the top artists who specialize in that subject, along with nearly 90 amazing gallery images.
