**Karen Ruth : Artisan Welding Projects: 25 Decorative Projects for Hobby Welders** before purchasing it in order to gage whether or not it would be worth my time, and all praised Artisan Welding Projects: 25 Decorative Projects for Hobby Welders:

Artisan Welding Projects brings together project designs and complete directions for building 25 innovative, never-before-published metal-work projects. This book takes solid aim at growing numbers of amateur welding and blacksmith enthusiasts who are taking up the hobby as inexpensive yet full-featured welding equipment becomes widely available. It features the latest in welding equipment and techniques, and offers projects that are both practical

and ornamental. It is the ideal book for budding art and craft welders, the largest growing segment of the rapidly expanding DIY welding market.
