**Jill Haglund : Artists Creating with Photos** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Artists Creating with Photos:

Good addition to my library. By K Crafter I like to incorporate photos into a lot of my crafting projects. This book had several interesting ideas but it was heavy on the collage style. I still think it was a worthwhile purchase and it has become a part of my crafting library. 0 of 1 people found the following review helpful. Five Stars. By Maribel Fonseca Scute

Strange as it seems, although we consider our photos our most precious possessions, too many of our special memories are still not displayed! This book will give you the inspiration you have been looking for to dig out those old photos

and get creative. Artists Creating with Photos features nine well-known artists, and includes personal biographies, photos and inspiration from each. Photo-related art projects include: Journals, cards, boxes, ornaments, scrapbook layouts, paper dolls, gift tags, clipboards, frames, assemblages and more. This book illustrates how to showcase your photos using a plethora of fresh ideas. Artists featured: Jill Haglund, Claudine Hellmuth, Lesley Riley, Roben-Marie Smith, Kim Henkel, Dawne Renee Pitts, Patti Muma, Helga Strauss and Amy Wellenstein.
