Nanditha Krishna : Arts and Crafts of Tamilnadu (Living Traditions of India) before purchasing it in order to gage whether or not it would be worth my time, and all praised Arts and Crafts of Tamilnadu (Living Traditions of India):

Tamilnadu's isolated geography left it to develop an uninterrupted classical heritage, enabling it to attain high levels of perfection in almost every craft. This book explores the world of the artisan and craftperson of Tamilnadu who fashions each article with love and care, always with a working knowledge of the age-old 'Shaastras' or canons of art. These creations are a tribute to an ancient culture - and the artisans own understanding of and pride in their work.
