Great directions and ideas for things to stitch. I do however alter the patterns to fit my style so I didn't do them exactly as instructed but that is the nice thing about these patterns you can make them into what you want rather than having to just follow the color options in the book. But I do love the ease of these patterns such a great leaflet.0 of 0 people found the following review helpful. My favorite Baby Bibs cross stitch pattern book everBy RebeccaMy favorite Baby Bibs cross stitch pattern book ever! I needed to replace my original which was well used and was thrilled to find it available! Thanks!

This is the ultimate book of baby bib cross stitch designs! You get 24 color designs and an alphabet with project ideas on the front and back. They can be used to accent any part of the little one's room.
