The book itself was in great shape. I am eager to start on one of these projects.0 of 0 people found the following review helpful. Great mosaic bookBy FluffyBunnyThis book has some really wonderful mosaic projects for your home. They're creative, easy and colourful. I'd initially borrowed it from the library and decided I had to buy it. A great starter book for those interested in some home mosaic projects.0 of 0 people found the following review helpful. As promisedBy KJExactly as described, prompt delivery, much appreciated.

An informative, inspiring guide to creating mosaic accents for your porch and garden. Once you've learned the basics, you'll only need some imagination to become a mosaic artist.Crafts. Venture to try any one of the approximately 30

projects, or a fundamental building block, such as a fragrant or dyed candle. Master the ABCs by way of this handy book. Booklist.
