**Laura Jacobs : Barbie in Fashion (Tiny Folio)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Barbie in Fashion (Tiny Folio):

Barbie is one of the world's best-loved dolls--with more than 700 million dolls sold since 1959. This tiny treasure includes an introduction by Barbie herself and presents her favorite outfits from 1959 to 1989. A description of each outfit accompanies each of the 300 color photos, as well as the year in which it debuted.
