Mary Maxim : Barn Yard (6467) before purchasing it in order to gage whether or not it would be worth my time, and all praised Barn Yard (6467):

Mary Maxim's colorful Barn Yard plastic canvas set will provide hours of fun playtime for children or make a cute display for collectors. The 3-dimensional classic red barn (15 x 11 x 13 inches) is stitched with medium weight yarn on 7-mesh plastic canvas and finished outside and inside. The barn doors open wide for easy access in displaying the 23 accessory pieces, also made using 7-mesh plastic canvas. Pieces include fencing, animal pens, a tractor with a driver, a standing farmer, and standing horses, cows, pigs, sheep and goats.with medium weight yarn on 7-mesh plastic canvas and finished outside and inside.
