variety of projects This highly detailed guide contains everything the beginner needs to know to make beautiful basic stained glass projects--presented with lavish color illustrations and precise instructions that eliminate the guesswork from each step-by-step activity. Expert techniques and tips for cutting and polishing glass, tracing patterns, soldering, and more are explained with the beginner in mind. Included is an indispensable section on tools and materials used to make each of the pieces--from classic flat-panel creations to a Tiffany-style lamp. Other topics: setting up a good workspace, safety guidelines, and project variations.
