And Hobby:

Bath Salts The Step-By-Step Playbook for Making Bath Salts For Gifts And Hobby Bath salts is one of these do-it-yourself projects that really is a moneysaver, especially if youre like me and love to soak in a nice hot bath after a long hard day. And since I can be rather cheap at times, I just didnt want to continue to shell out \$20 to \$40 a month for high quality and boutique-style bath salts. Especially when I can make my own bath salts with my favorite fragrances at a fraction of what commercial bath salt blends costs. Seriously, you will spend only pennies on the dollar making your own blend, and if you take a lot of baths like I do, that savings will quickly rack up.
