St. Clair Adams Sullivan : Bats, Butterflies, and Bugs: A Book of Action Toys (Bats, Butterflies, Bugs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bats, Butterflies, and Bugs: A Book of Action Toys (Bats, Butterflies, Bugs):

Random weirdness was no stranger to me, and having grown up outdoors it was natural for me to put my love of random nature and of books to hard work. I remember best making a cockroach out of my dukes of hazzard matchbox car, because it was orange and so was my crayon. Kids deserve a chance to make their own toys. Sometimes all you need is some straws and string to keep them amused.

Instructions for making a variety of toys which look like bugs, butterflies, or bats.
