Kay Rashka : Bead Meets Metal: Easy Metalwork Techniques to Showcase Gemstone Beads and Other Treasures before purchasing it in order to gage whether or not it would be worth my time, and all praised Bead Meets Metal: Easy Metalwork Techniques to Showcase Gemstone Beads and Other Treasures:

6 of 6 people found the following review helpful. Great for beginnersBy Barbara S. WestSince I'm still learning the intricacies of "hot" metal work (soldering, etc.), I'm finding this book very useful. Kay Rashka is good at explaining the basics and takes the reader step-by-step from very simple techniques to those requiring a bit more expertise. Even the simple ones, though, give a nice extra touch to otherwise plain designs. I'm glad I got this one.4 of 4 people found the following review helpful. Great for BeadersBy Artsy Fartsy 1969Great book for beaders looking to set their

stringing apart from the crowd. Enjoyed the projects and will definitely be making some of these in the near future. Would for sure recommend this book to a friend!3 of 3 people found the following review helpful. Bead meets MetalBy Susan wachlerKay takes us through a step by step process to create unique projects integrating metal smithing and beading techniques.As an intermediate metal worker, I found new tips to enhance the finishing of my pieces and her section on etching offered tips I had not previously encountered.This is a highly recommended book which will be helpful for beginning jewelry artists as well as those with more seasoned knowledge and practice.Thanks Kay!

Come take the journey with Kay as she shows you how to begin adding soldering, dapping, sawing, and other skills from the metalsmiths repertoire into your beading. Kays projects will also show beginner metalworkers how to incorporate the rich, colorful, sumptuous look that semiprecious beads bring to metal jewelry. These necklaces, earrings, bracelets, and pendants present such a complete range of techniques, all fully and beautifully illustrated with step-by-step photos. Youll be amazed at the eye candy you can create!

About the AuthorKay Rashka has been creating jewelry for 25 years, working primarily in sterling silver and semiprecious gemstones. She teaches in and around her home studio near Madison, WI, at venues including the BeadButton Show, Peninsula Art School, the Art Glass and Bead Show, and Shake Rag Alley.
