Johnathan Roy : Beadcraft Christmas: Holiday patterns for Perler, Qixels, Hama, Simbrix, Fuse, Melty, Nabbi, Pyslla, cross-stitch and more! before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beadcraft Christmas: Holiday patterns for Perler, Qixels, Hama, Simbrix, Fuse, Melty, Nabbi, Pyslla, cross-stitch and more!:

2 of 2 people found the following review helpful. Five Stars By Jacqueline Wittkamp Excellent 3 of 3 people found the following review helpful. Perfect for beading, crossstich and quilting By K. Aley This is an awesome book I don't bead, but I saw these patterns and decided to make a postage stamp quilt table topper out of the pattern. It turned out really well. (I cut all of my squares to 1.5"). I think this would also work out well as a crossstich guide. The colors are all in easy-to-read tables telling you exactly how many beads (or fabric squares in my case) you need. Lots of fun Christmas

designs. 2 of 2 people found the following review helpful. I can wholeheartedly say I am super impressed with this book. By btaylor As a mother of 5 kids, I can wholeheartedly say I am super impressed with this book. I am not a fan of letting my children sit in front of screens so finding activities that engage their minds in a fun way is always a plus. Some might think beadcrafts are old school, but I can tell you that this is timeless, simple, fun. We just spent 5 days over Thanksgiving with my nieces and nephews and I was surprised when my 6 year old nephew walked in with beadcrafts he had created for everyone in my family. My sister said he sat down and made designs for hours at a time over the past couple weeks! I'm planning on using the ideas in this book for a Christmas party I'm planning for my kiddos. It really easy, cheap, entertaining, simple, fun you won't regret investing in. With about 3 minutes of explanation and set up, children in the 4-7 year old range could create the designs themselves. The only thing missing from the book that I needed to look up was a reminder of how to melt the beads together, basically parchment paper, to cover and iron for a few seconds. These could also make really cute Christmas ornaments for family as gifts from your kiddos. All together a great book with 58 creative design patterns!

Check out our other Beadcraft books, including Pokemon, Minecraft, and Vehicle patterns! Beadcraft patterns work with Perler, Qixels, Hama, Simbrix, Fuse, Melty, Nabbi, Pyslla, Minecraft Crafting Table, and many other fuse bead or crafting cube kits! The designs are also perfect for quilting and cross-stitch. Celebrate Christmas with a wide assortment of crafting patterns for the season. From simple to complex, Beadcraft Christmas contains more than 55 designs in the following categories: Classic Christmas (Santa, elves, north pole, etc.) Christmas Decorations (wreaths, tree decor, etc.) Christmas Treats (candy canes, cookies, etc.) O Holy Night (Baby Jesus, shepherd, wisemen, etc.) Christmas Gifts (gift boxes, toys, etc.) Winter Wonderland (snowman, sled, etc.) Printed in FULL COLOR, Beadcraft Christmas patterns use a simple color-by-numbers system. This book is perfect for family gatherings, holiday parties, or to give as a gift!
