Awesome book, Awesome teacher!!!By H. CrossonThis innovative bead weaving is so beautiful!!! The instructions are detailed easy to follow. I love the designs receive many complements when wearing my beadmalle jewelry! I love making some of the same designs using different metals colors of beads. Thank you Cindy for your amazing jewelry designs awesome instructions! You're an amazing artist teacher!!!!!!!!!!!!!!!!!!!!

Jewelry makers and bead-ers in particular are hungry for new ideas, so they'll rejoice in having a brand-new, easy, and gorgeous technique to try! Beadmaille offers an entirely unique and beautiful way to craft chain mail-like jewelry, using the simplest of bead-weaving processes to link together metal jump rings in classic patterns. The 25 pieces—bracelets, necklaces, and earrings—all showcase seed beads in luscious colors, and both handmade and commercial jump rings in gold, sterling silver, copper, or bronze.

"If you like Cindy Thomas Pankopf's projects in *Bead Button*, you'll enjoy her book featuring jewelry made with metal rings and beads. Cindy's collection of 23 projects includes necklaces, bracelets, rings, and earrings. Jump rings, decorative metal rings, and chain are paired with woven seed beads in this eclectic selection of pieces suitable for casual wear or a night out. Plus, she includes comprehensive background about the techniques, tools, and materials you need to complete the projects." - *Bead Button*
