She wants you to make the quilt you thought you never could.I'm legally blind, and Eleanor and I can do it.0 of 0 people found the following review helpful. Five StarsBy carol barrattGreat book!1 of 1 people found the following review helpful. easy step by step instructionsBy theoZI Have been collecting Eleanor Burns quilting books lately and cannot wait to start this quilt. My brother and his wife love 'blue' colors and this would be just right in their house in the woods! Eleanor's step by step instructions are good for even the beginning quilter to follow.

For *Bears in the Woods*, Eleanor teamed up with designer Sue Bouchard to bring you country-inspired holiday projects and a charming picture quilt using the Log Cabin, Bears Paw, Tree, and Flying Geese blocks. Appliqued bears and caribou make these projects come alive! Decorate your holiday table with handmade gifts and ornaments, and a basketful of woodsy quilts. Instructions are included for finishing your quilts with techniques such as stippling, stitch in the ditch, applique, and binding. This book contains quilt sizes for wallhanging, full and queen/king.

About the Author Twenty nine years ago Eleanor Burns introduced her first *Quilt in a Day* book, cultivating a quilting revolution. She presented her unique style, a diverse combination of cutting and sewing applications, creating new techniques altogether. Her concise step by step directions are easy to grasp, allowing the possibility for anyone to be successful at making a quilt. Eleanor Burns gave quilters techniques that compacted months into merely a day, a quilt in a day, spreading her vibrant enthusiasm within everyone. She has motivated thousands of want-to-be quilters with needed confidence and assurance. Altogether, the impact of her influences opened the door to a renewal. Her efforts sowed the seeds that have grown into many techniques that are commonly used today. Since 1978 when she self-published her first book *Make a Quilt in a Day: Log Cabin Pattern*, she has authored over seventy five additional books. Throughout the world today, there are thousands of instructors teaching her quilting methods. Her first *Quilt in a Day* TV series began airing on PBS in 1990 and is still broadcast nationwide and abroad and now her shows can be seen on the world wide web on QNN and Quilters TV.
