From Flying Eye Books : Beautiful Birds Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Birds Coloring Book:

Immerse yourself with Emmanuelle Walker's wonderfully detailed bird illustrations in this follow up to the hit book Beautiful Birds. From warblers to blue-tits and kakapos to owls, youll color in your own aviary of birds in all their feathery fancies. Perfect for all ages!Emmanuelle Walker is an animation director and illustrator from Montreal, Quebec. As well as contributing to the Nobrow magazine and illustrating Beautiful Birds, she has worked with

international animation studios across the world. She lives and works in London, United Kingdom.
