Sandy Allison : Beautiful Leaves (Stained Glass Patterns) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Leaves (Stained Glass Patterns):

A great selection of 25 patterns for making beautiful stained glass panels of leaf shapes. Suggested color keys are included for each design. Leaves are from common North American trees--maples, oaks, and hickories--along with hard-to-find patterns for less-common species.

About the Author Sandy Allison is a writer and editor who lives in New Cumberland, Pennsylvania.
