Pay \$14.00 not \$139.00By Customer IIIDon't pay \$140.00, I paid \$14.00 plus change. I called customer service about the price, but just got an (It's Not My Problem). They said I needed to call the seller's which were not associated with .Well, I called around and finally got the book for \$14.00 and change. This does not include shipping as it will very depending on where you live.The place is called The Western Depot Model Railroad Needs located in CAGood luck, but don't pay the quoted price.6 of 6 people found the following review helpful. Great Intro Book to Lionel Trains/RepairBy Dan K. McCoyThis book not only will help you learn to repair Lionel trains, but it also serves as a great introduction to Lionel for the newcomer. Very easy read, but packed with

info.

Teaches how to get old Lionel trains running again! Shows how to repair and maintain Lionel O gauge trains built from the turn of the century through the 1970s. Gives detailed explanations with photos and diagrams illustrating easy repair, lubrication, and maintenance tips and techniques.
