The photos make the cats jump off the page, and make me want to drop everything and make every one in the book. 1 of 1 people found the following review helpful. Puuuurrrrrrrfect By R. Cummings I am a cat lover from way back and these are VERY cute. Tho' we are not necessarily talking easy to do. Some are, some aren't (sort of depends on the hairiness of the cat breed) and some of the faces are "off". You might want to consider doing much different eyes, but the bodies are pretty good. 3 of 3 people found the following review helpful. Cute! By tokoyo Very cute book! I like the examples and patterns, although I'm not sure I will actually make one. Some are fairly complicated.
