Wanting to make a gift of love for a special baby or youngster is often the reason many people get started in quilt making. The small sizes are fairly quick to finish, and the cute designs are just plain fun! This charming collection for

toddlers to teens compiles more than 30 of the best quilts from Fons Porter's Love of Quilting magazine and special issues of Baby Quilts, Kids Quilts, and Easy Quilts. Each quilt is shown in a lifestyle photograph and an assembly diagram, accompanied by a complete materials list and step-by-step instructions. There are projects for all skill levels, as well as styles from soft and sweet to bold and bright.
