Great book!By LoonloverIt's a much thinner book than I expected, but it's wonderful for the seamstress that likes to smock and make doll clothes.

This 16-page paperback workbook provides everything a seamstress needs to easily create hand smocked clothes for their favorite cloth-bodied, vinyl, and playable 18" dolls. Includes 10 smocking design plates and full-size patterns for

18" dolls, step-by-step instructions, and clear illustrations for a yoke dress, bishop dress, jumpsuit, smocked-from-the-shoulder dress, and smocked collar. Also provides some general smocking instructions, but book is geared more to the advanced smocking seamstresses.
