However, when I was considering the purchase of the book, I was unable to find a complete listing of the designs included in the book (always helpful when purchasing something like this). You can find part of the list, along with corresponding pictures of the designs at the Beth Russell Needlepoint website under "Needlepoint Books." However, in an attempt to help other -ers, here is a list of the designs: *Compton*Hare*Fox*Woodpecker*Honeysuckle (bell pull)*Flowerpot*Jackfield Rose*African Marigold*Jasmine (with an alphabet to customize)*Pomegranate (rug)*Morris*Kazak (rug as well as bag w/ strap)*Anemones*Owls*Rabbits*Frog Stork*Annie Jack*Bird Leaf The designs really are beautiful and traditional, and I think it is going to make a wonderful addition to my needlepoint books. 9 of 9 people found the following review helpful.
