"Better Homes and Gardens" : Better Homes and Gardens Christmas on Its Way (Countdown to Christmas) before purchasing it in order to gage whether or not it would be worth my time, and all praised Better Homes and Gardens Christmas on Its Way (Countdown to Christmas):

2 of 2 people found the following review helpful. GOOD IDEAS FOR ALL YEARBy A CustomerI've had this book and the other two in the series for about 3 years and I go to them for ideas for gifts and recipes all the time. This one has ideas for food gifts that are really good. My friends love the oatmeal chocolate chip cookie mix and it's become a tradition every year. I'd give people the books as gifts, but then they'd know where I get my ideas!

Christmas devotees begin preparing early and this, the first of three volumes, is just what Santa ordered. On Its Way provides clear and easy instructions for creating heirloom-quality gifts and make-ahead freezer recipes. Includes full-color photos of all the projects and most of the tested recipes, plus patterns and charts, tips and Christmas lore.
