2 of 2 people found the following review helpful. Betty Crockers Book of FlowersBy JoyragsWhile this is an older book, it has some really good and interesting information on the many ways you can use and appreciate flowers, from display to using flowers in cooking. The book has many wonderful color photographs and an array of useful and fun suggestions. If you are interested in adding to your garden, kitchen, craft books, I would recommend this one.

Gorgeous, inspirational photography and practical advice make the arts of arranging, decorating, and even cooking with flowers easy for everyone. Includes detailed information on growing, picking and creating with flowers. 150 full-color photographs.
