For the price, I was hopeful to get a book that had professional patterns and layouts.0 of 0 people found the following review helpful. ... same time and less patterns than I would of liked.By Amber LottA bit more simplistic and complicated at the same time and less patterns than I would of liked.0 of 0 people found the following review helpful. Excellent bookBy MatzoWonderful book. It's so nice to actually find information I don't already know.

Creature artist, Jennifer Carson, shows you how to design, draw and sew your own jointed, soft animal sewing patterns. Included with the book are patterns for 6 new creatures, including an elephant, pig, gryphon, tiger, dragon and a bonus pattern for a prehistoric mammal called a chriacus. All patterns are full size and require no enlargement.
