**Erik DePrince : Big Construction Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Construction Coloring Book:

0 of 1 people found the following review helpful. Nice coloring book for boysBy CandyLoveNice for boys into construction vehicles and digging...

Kids will love this BIG coloring book full of construction vehicles! With 50 pages of giant bulldozers, dump trucks, cranes, and more this book will keep your little builder busy for hours! Pages are printed on one-side only for an excellent coloring experience.
