**Jeanette Lim : Big Little Felt Universe: Sew It, Stuff It, Squeeze It, Fun!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Little Felt Universe: Sew It, Stuff It, Squeeze It, Fun!:

1 of 1 people found the following review helpful. Nice designs and great ideasBy JeannetteI like the plushies that are in this book very much. The designs are interesting and creative and not to mention done very well. Templates are also included so it makes life much easier ;)However, there is a catch. Most of the plushies require cardboard to be added to make its sturdier. I'm fine with a little of that for example when making a box coz obviously you wouldn't want the box to collapse when you store stuff in it, but almost all the designs in this book asks for cardboards. I've not tried yet but i suppose you can choose not to add the card board, but then your finished result might not be like what it looks like in the book. To me, plushies should be squishy and soft but with card board, you wouldn't be able to press down on them. So i don't really like that idea.In conclusion, i'll recommend this book to those out there who would like to use these projects for decorations only because you wouldn't be able to play with them. Unless you're playing RPG games with your friends like hospital or cooking and stuff..then that probably will work fine :)1 of 1 people found the

following review helpful. This book is a great starter book for felt craftsBy Elaine C.This book is a great starter book for felt crafts. Nice pictures and easy to follow instructions.The seller was was great to work with. My order was shipped right away and the book was in wonderful condition0 of 0 people found the following review helpful. Great craft ideas and patternsBy DonnaFast courteous service. The craft fun book is exactly what I wanted.

Enter the big, beautiful universe of crafting with felt, with this irresistible collection featuring a super-cute Asian-inspired aesthetic. Twelve sets include more than 70 projects, from fruits and a felt knife for slicing them to a show-stopping birthday cake with decorations and detachable candles. Hundreds of photos and full-size templates make the crafting easy. With so much imagination-generating power, this book will appeal to everyone!
