Sandy Allison : Birds of the Beach (Stained Glass Patterns) before purchasing it in order to gage whether or not it would be worth my time, and all praised Birds of the Beach (Stained Glass Patterns):

2 of 2 people found the following review helpful. I have never been so disappointed in a stained glass book (and I have tons)By A mom who has been thereI have never been so disappointed in a stained glass book (and I have tons). Patterns are overly simplistic and the one "colored" in are done in watercolors and they do not follow the cuts of the glass. Nothing more than a child's coloring book.

20 original patterns for common North American seashore birds, including sandpipers, gulls, terns, pelicans, plovers, and loons.Includes samples of suggested coloration for each designCreate unique pieces for gift giving and home dcor
