0 of 0 people found the following review helpful. Poor condition By Customer Love the content but how could the condition be described as anything but poor? I opened it up and half of the book fell out of the cover. 0 of 0 people found the following review helpful. Neat book, fairly comprehensive. Older and black and ... By A. M. Nelson Neat book, fairly comprehensive. Older and black and white, but many, many examples of dolls constructed in various ways across the world. Not many instructions for making the dolls, more of a photo reference. 0 of 0 people found the following review helpful. great book on all kinds of dolls from around the ... By Julia B. Smith great book on all kinds of dolls from around the world with instructions on how to make many of them.
