I provide the materials and she is doing the rest! I'm so thankful for this book as she's wanted to build a gingerbread house for a long time and with a toddler, I just wasn't able to help her very much. This book was a lifesaver and will be a keeper, for sure!0 of 0 people found the following review helpful. This book will show you how a few easy recipes, everyday ingredients, and basic kitchen equipment are all you need to create a beautiful gingerbread house. Learn how to bake and build a gingerbread house from start to finish, and then find creative ideas for decorating your house, from butterscotch windows to candy-covered trees, helping you create a gingerbread house of your very own design. Whether you decide to recreate one of the designs provided, or choose to create your own work of art, this book will help you have a fun and memorable experience, and a gingerbread house to be proud of.

"An excellent book for beginners and dedicated amateurs, Banner's book also inspires the professional." American Cake Decorating Magazine
