As others have said, it's a good read -- lots of lovely stories, parenting tips, and ideas woven in between the recipes. There's so much inspiration in the pages of this book from her specific party menus to lists of ideas you can use for your own parties or family dinners. There's no pretention (the doughnut cake is a stack of doughnuts) or preaching (even when she's explaining while she makes -- as a parent of young children, I felt like I was hanging at Jenny's

kitchen counter feasting on parenting advice and hearing humbling "we're all in this together and it's never perfect" type stories about kids and family. So far we've tried the Snickerdoodles and the Quinoa Salad with Roast Veggies and Feta both of which turned out great as I'd expect from Jenny. There's a long list of recipes I can't wait to try -- Apricot Rum Glazed Ham, Franks and Beans, Cider Glazed Meatballs, Grilled Potatoes with Chutney, etc etc. My only complaint is that similar to her first book, it is a little bit of a wander and when you're looking for a specific recipe, you often have to use the index as finding a particular section or remembering where a recipe fell in her order of things can be frustrating. It think it's more organized than the first -- there's a rough seasonal organization and of course the various sections of holidays, family rituals, etc. but with all the stories and pictures it's still not as easy to navigate as a traditional cookbook. 3 of 3 people found the following review helpful. My best friend gave it to me as a gift because she had been telling me about the author's blog which she loves. I was pleasantly surprised by how inspired I was by her ideas and I'm inspired to try all her delicious looking recipes. It also makes me think about the rituals and meals I share with my children and how important those small moments are. Thank you Jenny Rosenstrach! I highly recommend. 3 of 3 people found the following review helpful. There's nothing better than a new Jenny Rosenstrach cookbook By Emily Bazelon There's nothing better than a new Jenny Rosenstrach cookbook, and this one is maybe my favorite yet -- full of excellent recipes, good cheer, and indomitable spirit. Food is a source of love and also of family ritual, in a way that seems both delightful and attainable. (Well, at least some of the time!)

A New York Times Best Cookbook of Fall 2016 A warm and inviting guide to turning birthdays, holidays, and everyday occasions into cherished traditions, with more than 100 time-tested recipes from the creator of the popular blog and book *Dinner: A Love Story* and author of the New York Times bestseller *Dinner: The Playbook* Families crave rituals, says Jenny Rosenstrach, and by rituals she means not just the big celebrations Valentine's Day dinners, Mothers Day brunches, Halloween send-offs, Thanksgiving feasts, holiday cocktail parties but the little ones we may not even realize are rituals: a platter of deluxe nachos on Super Bowl Sunday, or a bowl of creamy mashed potatoes after every braces-tightening session. Whether simple or elaborate, daily or annual, these rituals all serve the same purpose for Rosenstrach: to bring comfort, connection, and meaning to every day. 100+ recipes, including: popovers, apple fritters, and golden pancakes, perfect for sleepover mornings or birthday breakfasts Interfaith Sliders: one version with ham and another with brisket Rosenstrach's legendary chocolate Mud Cake plus an entire section on birthdays, including a one-size-fits-all party planner that does not rely on pizza complete menus for Thanksgiving, Christmas, and New Years Eve and, of course, dozens of Rosenstrach's signature family dinners: Grilled Soy-Glazed Pork Chops, Harissa Roasted Chicken, Crispy Chickpeas with Yogurt Sauce and Naan, Grilled Spicy Shrimp Tacos with Avocado Butter and Summer Cabbage, and more In this digital, overscheduled age, *How to Celebrate Everything* helps families slow down, capture the moments that matter and eat well while doing it.
