Emma Varnam : How to Crochet: Techniques and Projects for the Complete Beginner before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Crochet: Techniques and Projects for the Complete Beginner:

2 of 3 people found the following review helpful. Wonderful BookBy L. EngelsGreat book, love the patterns!!1 of 2 people found the following review helpful. Five StarsBy StephenThank you0 of 0 people found the following review helpful. Good illustrations of stitches but as a beginner, I also need patterns availableBy Mystic by the LakeThis had good illustrations but I wish there were patterns, particularly for the Granny Squares afghan. As a beginner and a visual learner, not only do I need the illustrations of the stitches, but patterns for each project. I wish there were more patterns for afghans as I want to make baby quilts.

How do I learn to crochet? If you've been thinking about taking up crocheting, but don't know how to start, How to Crochet: Techniques and Projects for the Complete Beginner is the perfect guide for you.
