MillerToo bad has decided to rip me off for \$50.00 when I have ordered tons of stuff from them since 2005. I am not longer an customer now. They never sent a gift card I purchased and when I called about they put the money back in my account. They then took it from my account before I could use it and put it in a total strangers account and refuse to refund me. BEWARE.It is impossible to reach anyone. No one speaks English. When I finally got someone after literally hours on the phone I still did not get any help.0 of 0 people found the following review helpful. Great for beginnersBy MydnightThese are great books.
