Elaine Schmidt : How to Make 100 Ribbon Embellishments: Trims, Rosettes, Sculptures, and Baubles for Fashion, Decor, and Crafts before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Make 100 Ribbon Embellishments: Trims, Rosettes, Sculptures, and Baubles for Fashion, Decor, and Crafts:

5 of 5 people found the following review helpful. My new favorite crafts book By Jennifer A. Hoffman This book contains a wealth of projects, with clear instructions and color photos. It's now my new favorite crafts book and I can't wait to start some of the projects. My only complaint is the lack of suppliers and resources to obtain the ribbons the author uses. While any references may have changed since printing, with the proliferation of information on the internet, a resource guide would have been very useful to help the reader find out how to obtain some of the beautiful ribbons used in the projects. 4 of 4 people found the following review helpful. Best book on the subject I've seen By Kelley D I've wanted to make these kinds of embellishments for a while, but all the instructions I'd seen so far were pretty intimidating. This book puts a lot of information in one handy place; well described, with plenty of illustrations on the making, and what things should look like when you are done. Also recommendations on widths/length/flexibility of the ribbons involved. There's a section on how to make your own ribbon, too. 3 of 3 people

found the following review helpful. Good first book on ribbon craftBy Alice RainsGood first book on ribbon craft. Covers creating linear trims, basic cockades, basic flower shapes. Uses: sewing trims, millinery trims, children's projects, gift wraps, maybe some home decor. Does not cover silk ribbon embroidery. Any large craft store can supply the materials needed.

Classic and contemporary crafters unite! Create amazing trims, butterflies, flowers and more with *How to Make 100 Ribbon Embellishments*. With clever techniques and a huge selection of ribbon styles to choose from, the timeless art of making ribbon embellishments is better than ever. Let author Elaine Schmidt take you through 100 ribbon designs, offering helpful hints and tips to help you make beautiful accessories to place anywhere.
