to make interesting and decorative picture frames out of some ordinary materials. The book shows step by step instructions and has pictures for each step. The book uses materials such as beaded flowers, clay and paper mache to create some really interesting picture frames. This book has also sparked some ideas for some more picture frames I could create. I would recommend this book to all Crafters.

Whether you want to frame photographs, paintings or objects, this book features a superb range of frames for you to make. Complete with comprehensive guidance on materials and equipment and over 30 projects to guide and inspire, all shown step-by-step in more than 340 color photographs, this is an indispensable book for crafts enthusiasts everywhere.
