4 of 4 people found the following review helpful. Don't buy!By Gilberto JacobSomeone want to take your money for nothing! Three photos and few words and here we have a e-book with a pour information and a lot of publicity! Don't buy it! It's a fake book!0 of 1 people found the following review helpful. Another tiny, thin self-published book.By L. OesterreichNo new information here. Do yourself a favor and buy a good well-published book with colorful photos on

the subject.
